

STOP WORK POLICY

It is the duty and the right of every personnel employed and engaged by iSURVEY Group to exercise the Stop Work Policy whenever an employee of any company, members of the public, Group's assets or local environment are at risk.

iSURVEY Group Commitment:

1. Stop Work shall be applied if any situation arises due to an unsafe action or behavior or omission or non-action of any party involved in the operation, and if such situation were permitted to continue, may potentially lead to the occurrence of an unwanted incident.
2. Any person regardless of position, seniority or discipline has the right and duty to apply the Stop Work Policy if in his or her opinion or judgment, such activity is deemed to be a potential incident.
3. There shall be no blame or fault put on any employee calling for a Stop Work order even if, upon investigation, the Stop Work order was deemed unnecessary. The Stop Work order must be applied in good faith.
4. Timing is a critical factor. There should not be any delay in calling for a Stop Work order if the need arises.
5. Work that has ceased due to a Stop Work order shall not be resumed until all safety aspects are cleared to the satisfaction of the employee who initiated the Stop Work order or the employee responsible for the Stop Work order to be initiated, in the first place.
